Amenities

Kästenbergstraße 22 • 67661 Kaiserslautern

- Offered is a single-family house of sandstone, built in 1927, on two floors, with a ground-level basement.
- In 2021 to date, a complete renovation was carried out on the house, garage as well as the exterior including drainage.
- The property comprises about 383 square meters and is fenced to 360°, with an electric 2-wing gate and a covered storage area for wood.
- The highlight of the property is the outdoor pool with salt electrolysis system, heatable via heat pump, which can be covered entirely with an approx. 25 square meter extendable patio, made of very resilient Robinia wood, as well as the infrared cabin in the garage.
- The patio is easily accessible via the south/east-facing conservatory or the ground-level basement.
- The house has about 135 square meters of living space distributed in 4 rooms, an open kitchen, a bathroom, and hallways.
- The square meters of patio and conservatory were included in the living space at 25% and 50% each.
- The 2 trapezoidal dormers on the upper floor create more living space in the sleeping areas.
- Further comfort is provided by the 2 installed air conditioning units, which can provide cold as well as heat depending on the season.
- Additionally, the attic offers expansion potential and can be converted into about 45 square meters of additional living space.
- A built-in kitchen with a kitchen island and high-quality electrical appliances from Miele and Bosch are already included in the purchase price.
- The daylight bathroom is equipped with a whirlpool, a floor-to-ceiling shower, and double sinks.
- In addition, there is a guest toilet.
- The floors are equipped with vinyl and tiles, and the plastic windows are triple-glazed, thermally insulated, and have electric blinds, pleated blinds, and removable insect screens.
- A gas central heating system provides the heat. In addition, the concrete stove in the living room creates a great ambiance.
- For vehicles, there is an electric garage and two parking spaces in the yard.
- The ground level basement has a laundry/heating room with shower and toilet and a large basement room with approx. 1.90 m ceiling height.
- The house is currently occupied by the owner and is available by arrangement.
- More pictures of the property as well as 3-D pictures of the outdoor pool gladly on request.
